\$6500 RESERVE SPOT GILT 2022 CPS SUMMER TYPE!! Mother would be Abby Clapp Reserve Spot gilt from Springfield. She was raised by Yantis and would have been out of the gilt he purchased from West Texas in the fall of 21 at Duncan for \$15,500. That particular female was the champion at Kansas City that year as well. 1-7 littermate would have been the Shike Gilt that played second fiddle only the Bobell gilt that did the trifecta and won all 3 National Shows last summer. Love this young sow and love the pedigree!
