Description

This Hometown daughter originates from the Shelton Angus firm, out of their prolific C1 donor. GAR Hometown is the all time high-selling bull from the Gardiner Angus program in Kansas. From top to bottom, this heifers' EPD profile checks almost all of the boxes and has a lot to offer to any breeding program. This female was bred with sexed heifer semen and is safe in calf to HPCA Veracious, due 10/1/23.
