### **Description**

Payten is a powerful and functional cow that has done great things for our herd. Her power is something to appreciate, along with her sweet and gentle demeanor, she is sure to be an easy keeper. Payten saw lots of success during her time in the show ring, and she continues that success with her offspring. She was bred AI to QHF CAPTAIN AMERICA 35F on December 9, 2022, and has been confirmed bred.
