**LOT 12 - DONNA 505 3 Sexed Female IVF Embryos (U.S. Only)**

Two great matings from Donna 505, a cornerstone of the program blending two of the breed's most prepotent and proven dams.

Powerfully built and ultra-deep, yet feminine and extended through her front third with a picture-perfect udder, Donna 505 is regarded as one of Resource's top daughters with progeny such as Donna 1220, the \$20,000 top-selling open heifer of the 2022 Montana female sale to Glenmary Farms and Donna 1217, a \$18,000 selection of Faith Farms from the same event.

Full sibs to Lot 12 include Fred 8207, the \$20,500 top-selling bull of the 2019 sale selected by Koupal Angus, and Donna 0204, a \$18,500 highlight of the 2021 sale going to Faith Farms.

Lot 13 combines two of the foundation females in the program and is sired by the promising prospect who was the lot 1 and lead-of sire of the 2022 bull sale.
