The sire of sires is known for producing phenomenal females and Musgrave Pride 1841-166 is one of his best daughters on earth. An owned daughter of Pathfinder sire LD Capitalist 316, she holds a NR of 106 on her first three calves and holds a calving interval of 3@354. We see her as being ideal in her type and kind as well as a model of earning potential. Her best son to date, Musgrave Resilient 247-1841, was a feature of our 2023 production sale to Kuck Ranch, NE. Entering our donor pen this spring, her future impact on our herd as well as Allen Bros Cattle, OR, is sure to intrigue excitement around this matron.
