**Description**

G996 is one of three full sisters that are donors at this time. Flush mates to Bridle Bit Resource out of our B452 donor also. Her Homeland sons in the 2023 All Terrain Bull sale averaged over \$8400. We felt Pontiac was the best Essential son to sell in the spring of 2023. Pontiac was the obvious choice of a mating that will knock it out of the park. Pictured: Bridle Bit Miss G996, K298 a daughter of G996 by Homeland, Bridle Bit Resource, flush brother to G996, JC Pontiac sire of the embryos.
