Dam Can Am Pride 110

Breeder/Farm Can Am Cattle Company

Description

A calving ease maternally focused Exclusive son backed by a longline of productive cows. His nicely made first calf MVP heifer did a great job with him and bred back ahead of schedule. Granddam is a perfect footed, modest framed pathfinder cow and the mother of Can Am Guarantee 215 owned by Bill Watson, IN. The 3rd dam is Pride 330 noted for her ability to generate herd sires. Koda has the look and pedigree of a great female maker.
