### **Description**

A classic example of why the Angus cow is revered as the industry's best – feminine, wedge-shaped, and easy-fleshing females with snug-level udders will never go out of style. This easy-going Final Product daughter has done an outstanding job maintaining a calving interval of 5 @ 369 with an NR of 103. Her first son, Can Am 38 Special 953, sold to the T4 Ranch in MT. Safe in calf to Fast Revitalize 191 due 03/15/24.
