GUARANTEE OF 1 PREGNANCY
Maternal sire, programs, and influential donor cows are located all throughout this pedigree. While you may find more extreme performance and carcass traits elsewhere, this female brings the cow oriented figures to the forefront, ranking in the top 2% of the breed for HP and SM, with a claw EPD in the top 3%. The Coleman Bravo x C815 mating has successfully produced many elite females, including the record setting Chloe 9275, who sold half-interest for \$375,000, for a \$750,000 valuation. Cow centric families with an added shot of carcass merit is represented here!
