Our quest for quality once again landed us in Oklahoma at Luddington Angus when we selected Grazer as their \$35,000 top selling bull. It's enjoyable to hear Ky Luddington talk about LD Blackcap 4793, Grazer's dam. He ranks her as the best female on his ranch and it's fair to say, she's got what it takes. Grazer sired the largest sire group of our 2021 calf crop, his progeny are some of the most gentle, easy fleshing, soft made, big boned cattle we've bred. When we had the opportunity to add his dam to our ET program we jumped on it.
