

**Sale Name:** Premier Angus Frozen Genetics Sale

**LOT 8C - CG Growth 1023 x KCF Bennett Exponential**

The poster features a central circular emblem with a detailed illustration of an Angus cow's head. The word "PREMIER" is arched above the head, and "ANGUS" is arched below it. The emblem is set against a background of vertical wood grain. Below the emblem, the text "Premier Angus Frozen Genetics Sale" is written in a large, elegant cursive font. At the bottom center, the date and time "June 13, 2022 Monday // 7:00 p.m. (EST)" are displayed in a clean, sans-serif font. In the bottom left corner is the "SALE RING" logo, which includes a shield with a stylized 'S' and 'R' and the text "SALE RING" below it. In the bottom right corner is the "Joe Beaver ANGUS Marketing & Consulting" logo, featuring a stylized 'J' and 'B' above the word "ANGUS" and "Marketing & Consulting" below it.

**Type** 3 Heifer Sexed Embryos

**Sire** \*K C F Bennett Exponential

**Dam** +\*CG Growth 1023

**Breeder/Farm** Christensen Genetics

**Description**

## SELLING 3 HEIFER SEXED EMBRYOS

If you want to produce a heifer calf with a pedigree for proven genomic excellence, look no further! The sire of these embryos stacks Bomber and Southside, for proven calving ease, growth, and elite index values. The dam of these embryos carries a pedigree very similar to the breed-leading Jonesboro, who currently posts a 404 \$C. The dam of the embryos herself posts a top 1% \$M and \$C. Take the guesswork out of the equation and buy with confidence here!

Consigned by Christensen Genetics, Idaho
