LOT 53 - Musgrave Milestone- 10 units of semen

MUSGRAVE MILESTONE

Kate Roberts

NEXT GENERATION SIRE

Video!

-Musgrave Milestone has set the 2022 spring sale season on fire commanding \$120,000 at auction! He was purchased by Weigel Angus, ND, Hilltop Angus, SD, & Grandview Angus, SD, as the top selling bull of our spring sale. His unique pedigree offers a blend of power and maternal strengths with an EPD profile that is strong in WW, YW, CW, SC, HP, Claw & Angle, \$M, \$W, & \$C. Phenotypically, he stands on a perfect hoof and is powerfully made with lots of capacity, forerib, muscle shape, and attractiveness. His Pathfinder dam is described by Pine Coulee Ranch as (One you stare at in the pasture, she's wide based, big ribbed, and level hipped with potential to make big things happen). Their prediction was correct! He is seeing heavy use in our herd, as well as his owners. He's been used in our ET program with tremendous results for IVF fertilization.

-This will be the only Milestone semen to sell this Fall!
