**LOT C - Redemption Triplex**

**ONE OF A KIND OPPORTUNITY  
OPEN REPLACEMENTS**

Over the past decade we have increased our pressure on selection and quality within our cow herd. This has resulted in a herd that is extremely uniform and genetically similar in type and kind. This is by far the best calf crop we have ever had and the quality in this set of replacements is strong from end to end. Few places in the US can you buy groups of like genetics and cow families of this caliber where all the homework is caught up. Take advantage of the quality and value in this offering!

1/2 SISTERS SIRED BY REDEMPTION**

**THE SALE METHOD**

-Each fall we offer a group of heifers for sale private treaty. With increased interest, we felt the fairest way to sell them is through this auction. We are offering them in groups and the buyer can choose any combination on sale day.

**ABOUT THE HEIFERS**

-They were weaned September 26th, straight off the range with no creep feed. These heifers are registered, Angus GS tested, calf hood vaccinated and current on all vaccinations. They carry the Musgrave name and represent a cross section of our time tested cow families & herd sires. They will be ready for immediate pick up or we can help arrange delivery if need be. You're welcome to view the group anytime prior to the sale.
